Rosie's Girls Summer Program accepts campers on a first-come, first-served basis. Our goal is to accept every camper (up to our total enrollment capacity) who can have a successful and safe experience at camp. If a camper is placed on a waiting list, the deposit will be returned. Rosie's Girls reserves the right not to accept a camper that we believe, in our discretion, will not have a safe or positive experience at camp. We will review the ability of each camper to fully participate in camp and will discuss with parents any situations in which Rosie's Girls activities would be an unsafe or inappropriate experience.
