Why do you want to be a leader at Rosie's Girls?

Please tell us about all of your experiences that you have had working with kids:

Tell us about any experience you have doing carpentry, auto repair, welding, or any other trades work: *(please note: this experience is helpful, but definitely **not** necessary for this job!)*

Do you have any arts-related skills that you could teach to campers?

Please describe a 1-2 hour art activity you would design and lead with a group of 24 girls:

What particular strengths would you bring to this job?

Please describe the experience you would want girls to have when they attend Rosie's Girls. As a leader, how do you see your role in achieving this experience?
